

Meet iAmbientHealth™

Passive Monitoring. Powerful Insight. Better Care.

The long-term care solution built for better outcomes, iAmbientHealth™ is the ambient sensor redefining how Remote Patient Monitoring is done. No wearables. No apps. No patient action required.

Installed discreetly in the background, iAmbientHealth captures heart rate, respiratory rate, movement, and bed exits — without cameras or microphones. That means 100% privacy and zero burden on patients.

With built-in cellular connectivity, iAmbientHealth sends data directly and securely — no hub needed.

How iAmbientHealth is Revolutionizing Patient Care

- Qualifies for RPM and CCM CPT codes — Reimbursable from day one, ensuring rapid ROI.
- Completely Passive — Ideal for elderly, non-tech-savvy, and non-compliant patients.

An All-Inclusive Package. iAmbientHealth is — Device, Data, Platform, and Reporting.

Proven Outcomes

50% Reduction in Hospital Readmissions.

75% Hospital Transfers predicted, using patented POBC score system.

Up to **7** Days Early detection of deterioration for conditions like Heart Failure, UTI, etc.

iAmbientHealth is the easiest way to keep patients safe and ensure continuous RPM data flow — even while they sleep.

Why Smart Meter is the No. 1 Supplier of Cellular RPM™ Solutions

The Only Trusted Private Data Network for RPM in the U.S.

- Smart Meter's Private Data Network for RPM is an exclusive ecosystem with robust security layers protecting patient-generated health data from our proprietary monitoring devices to our SmartPartners™ platforms.

Cellular RPM™ is Better Than Bluetooth®

- Patients have problems using Bluetooth – it's that simple.
- Our proprietary cellular-enabled devices deliver the most patient-friendly experience available supporting more frequent testing, additional revenue, an improved volume of health data facilitating care management, and higher customer and patient satisfaction.

Everything Working Seamlessly in the Background

- We simplify the deployment and management of remote patient monitoring so you can focus on transforming healthcare.
- SmartPartners have exclusive access to curated monitoring devices, real-time RPM data stacks, shipping and logistics management, automated refills, and success training services.

100% Quality Guarantee

- We stand behind our solutions: products, data, platform, and services.
- If anything fails to meet your standards, we will resolve the problem to your satisfaction. Guaranteed!

Grow With Us

Whether you're implementing an RPM system for the first time or need to reach new customers with expanded solutions, we're here to help.
