

Bluetooth® Buy Back

For a Limited Time Only

Save \$20 on Smart Meter devices when you exchange your connected/non-connected Bluetooth® or other cellular devices or Hubs.

Your Bluetooth Devices are a Problem Causing:

- Poor patient engagement
- Frustrating patient experiences
- High operating costs

Exchange and Upgrade them to our Easy-to-Use Cellular Solutions and:

- Improve device utilization
- Improve patient satisfaction
- Reduce Customer Service and Tech Support issues

Promotion Highlights

- \$20 credit on each SmartMeter monitor exchanged with an existing device.
- \$5 bonus credit for any “Bluetooth/Cellular” hub in addition to each device exchanged.
- Orders and Contracts for the exchange must be signed by June 30, 2024.
- The exchanged units must be shipped by September 30, 2024.

70% of people have trouble sending health data with Bluetooth® devices.

Why Smart Meter is the No. 1 Supplier of Cellular RPM™ Solutions

The Only Trusted Private Data Network for RPM in the U.S.

- Smart Meter's Private Data Network for RPM is an exclusive ecosystem with robust security layers protecting patient-generated health data from our proprietary monitoring devices to our SmartPartners™ platforms.

Everything Working Seamlessly in the Background

- We simplify the deployment and management of remote patient monitoring so you can focus on transforming healthcare.
- SmartPartners have exclusive access to curated monitoring devices, real-time RPM data stacks, shipping and logistics management, automated refills, and success training services.

100% Quality Guarantee

- We stand behind our solutions: products, data, platform, and services.
- If anything fails to meet your standards, we will resolve the problem to your satisfaction. Guaranteed!

Promotion Details

Promotion starts on 4/1/2024.
Orders and Contracts for the exchange must be signed by June 30, 2024.
The exchanged units must be shipped by September 30, 2024.
\$20 credit off list price on each new Smart Meter monitor exchanged for an existing Bluetooth device.
Eligible RPM devices include Bluetooth-connected, non-connected, or competitive cellular devices.
The amount will appear as a credit on your invoice.
\$5 bonus credit for any "Bluetooth/Cellular" hub in addition to each device exchanged.
Devices must be returned to and received by Smart Meter to qualify for the credit to be applied. <ul style="list-style-type: none">• Bulk order exchanges from distribution facilities will have the shipping back SM paid for by SM. Credits will be provided when we receive the devices back to our DC.• Direct-to-patient exchanges will include a pre-paid FedEx label from SM in the "exchange shipment" to the patient. Credits will be provided when we receive the devices back to our DC.• All exchanged devices must be received by December 15th, 2024, to qualify for the credit.
Promotion is available to current and new customers.
Any mix of Smart Meter products purchased qualifies in this promotion.
Standard terms and conditions according to the SmartPartner Agreement apply.
Cannot be combined with other offers.

Exchange and Upgrade your Devices Today

Improve patient and provider satisfaction and increase device utilization by providing your customers with the easiest-to-use cellular RPM™ devices.
